## In the middle of it all

### MIAMI BEACH

This Miami Beach neighborhood is a hidden coastline gem packed with attractions for the outdoor enthusiast. From the vast expanse of Miami Beach to North Beach Oceanside Park, Miami Beach Tennis Center, Normandy Shores Golf Club, beach volleyball courts, jet ski and kayak rentals, and the Miami Beach Boardwalk, which stretches from 87th Terrace all the way to South Pointe Park. Restaurants, cafés, bars, parks, and more can be found by bike or a stroll through the palm tree-lined streets. Take in live music under the stars at the Miami Beach Bandshell and visit the farmer's market centered around the historic Normandy Fountain. With all this at your doorstep, the neighborhood is also easily connected to Downtown Miami, Bal Harbour, and everything in between.

72 Park offers an exceptional opportunity to own a remarkable piece of Miami Beach's evolving landscape. Immerse yourself in the allure of this prime location, which redefines life "on the beach."

ⓘ This is not intended to be an offer to sell, or solicitation to buy, condominium units to residents of any jurisdiction where prohibited by law, and your eligibility for purchase will depend upon your state of residency. The offering is made only by the prospectus for the condominium and no statement should be relied upon if not made in the prospectus. Stated interior square footage is measured to the exterior face of exterior walls and to the centerline of interior demising walls or to the exterior face of walls adjoining corridors or other common elements or shared facilities without excluding areas that may be occupied by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the unit, determined in accordance with the unit boundaries set forth in the Declaration is set forth in Exhibit "3" to the Declaration. All dimensions are approximate and may vary with actual construction.

# The Team

# Developed by Lefferts

Founded in New York City and with more than twenty years of experience in the industry, Lefferts stands as an unrivaled force in privately owned real estate development. With an unwavering commitment to excellence and sustainability, Lefferts creates extraordinary residential and commercial properties that redraw the boundaries of innovation, quality, and inclusive living. Its portfolio includes luxury condominium buildings, dynamic mixed-use developments, and high-end retail spaces in New York and South Florida.

# Architecture by Built Form

Built Form, LLC is a full service architectural firm with offices located in Chicago, North Carolina and Miami. For the past 16 years, the principals of Built Form have built a practice that combines the creative energies of a boutique design firm with the technical capabilities of a larger firm to create an organization that has executed projects of varying scale, type and complexity. Our project types include non-for-profit community based projects, retail, commercial, hotels and a full range of multi-family housing types including mixed-use, co-living, historical and government funded.

The firm is founded on an approach that incorporates intensive research into the specifics of each project. In addition to common design parameters such as the client's goals, building program and site restrictions the project research provides a framework that further guides the design of each project, which results in the best possible architectural solution.

# Interior Design by Urban Robot Associates

Urban Robot Associates is a full-service design collective that specializes in architecture and interior design. The team collaborates to develop a multidisciplinary approach for all projects in order to generate a unique vision and create meaningful, memorable, and functional experiences. The team members' diverse design backgrounds lead to unique narratives that are faithful to the concept and adapted to each project.
