MEET THE ZEN-ECO HOME

Tranquility is a collection of 112 eco-friendly vacation townhomes that sit on over 25 acres, offering our owners an unmatched natural setting.

STUNNING MODERN DESIGN

Each of our Tranquility townhomes are the height of modern design. Bright, stylish exteriors, complemented by elegant stonework, are crafted with excellence. Each floor plan features a spacious layout, standard premium finishes, and a private heated pool.

STANDARD LUXURY FEATURES

Our homes continue to push our industry forward offering standard luxury finishes such as premium quartz countertops, stunning modern cabinets, durable porcelain flooring, and stainless-steel appliances. Our kitchens feature Moen hardware, LED pendant lighting, and pop-up countertop outlets in every floor plan.

ECO-FRIENDLY CONSTRUCTION METHODS

Concrete creates a strong barrier to insulate your home from outside air, preventing temperature fluctuations and other forms of energy waste. Combined with Spray-Foam insulation, your home can routinely save between 30-50% of energy costs each year.

FLORIDA'S NATURAL BEAUTY

Tranquility is part of our Dream Communities which feature over 145 acres of development and joins the five other neighborhoods including Hidden Forest, Serenity, The Retreat, Hidden Lakes, and Sunrise Pointe. The community was designed with lush landscaping, solar-powered street lights and an ECO-CLUB.
